# THE RIGHT GIN

FL \$130 | 2C \$124 | 4C \$116

RIGHT Gin is a Citrus Forward, New Western Style Gin conceived by Lyons Brown. Blended and Made in Sweden by Master Blender Henrik Facile.

Each of the eight botanicals used are very carefully sourced for the best character, distilled separately under specific conditions special for that botanical, then blended together to create a very elegant, balanced and unique expression of Gin.

RIGHT works exceptionally well in classic Gin cocktails, taken neat, and pairs beautifully with fresh and seasonal flavors.

RIGHT Gin is blended and bottled in Malmo, Sweden; the Southern most region of the country, directly across the bridge from Copenhagen, Denmark. 60% of Gin is water, so the selection of this ingredient is critical. Our water comes from Lake Bolmen, near Malmo, a protected source renowned for its arctic purity. We chose it for its "softness" which we believe adds to the flavor profile of our Gin.
