FUSO21: 'LeSalse' Verdicchio di Matelica DOC

Verdicchio is the white wine of the Marche (central Italy, along the eastern coast). It's our response to the ocean of Pinot Grigio that has washed up on U.S. shores: refreshing, versatile, plug-able, but with the real character that most Pinot Grigio lacks. The vineyards are on top of a Jurassic-period raised sea bed, near saltwater springs called le salse (from sale / salt.) The high altitude of the raised valley (1475 ft.), its north-south orientation, and the distance inland from the sea combine to block off the tempering coastal influence resulting in large day / night temperature differences, longer grape ripening time; enhancing personality of the Verdicchio grape, minerality and crisp acidity. At the Table... aperitivo, seafood (including raw oysters)... anything you'd drink white wine with, really! Discounted from \$104 a case to \$96 this month.
