# Kaló™

You've got questions, we've got answers.

**What is Kaló?**

It's an absolutely delicious hemp-infused seltzer. It tastes good and helps you feel good too.

**What is Hemp?**

Hemp is a super plant that has tons of healthy and medicinal properties. That's where our Cannabinoids come from.

**Is this good for me?**

Cannabinoids has been known to reduce stress, anxiety, pain and inflammation. That's why it says "Feel Good" on the can!

**When should I drink it?**

Anywhere, anytime. You can drink it on the beach, replace your morning coffee, recharge for that 3 pm meeting, or use Kaló as an amazing mixer.

**Is Hemp legal?**

This is legal in every state in the US.

**Who can drink Kaló?**

We're for everyone - no matter what you need. We're inclusive. We taste good, and feel really good too.

**Where's the hemp from?**

Our hemp is grown right here in the USA with no pesticides, and is Non-GMO.

**Does it get you high?**

Absolutely not. Marijuana gets you high because of the THC. There is **no THC detectable** in Kaló.

**Where's Kaló from?**

We started on a farm in NJ but have big dreams for the North-East region and the broader US!

**What does water soluble mean?**

We created a new way to capture all of the natural compounds in the plant for your body to absorb. It's also why you should start to feel good fast. (Technical explanation - you get all the vitamins, minerals, antioxidants, cannabinoids and terpenes in the plant).

**I take CBD oil, is this different?**

Your body has a hard time breaking down oil. So if you take a tincture, your body is only getting about 10% of what's in it. We use a water-soluble technology that lets your body absorb closer to 99% of our extract.

**How come I don't taste the oil?**

We've created a water-soluble technology to capture what's in the hemp plant rather than the oil most other products use, which is why you don't get that weird aftertaste.
